Have you noticed they are admired, sought-after and successful? But are you daunted by the challenge of becoming an entertaining speaker? Perhaps you want to improve but don t know how or don t know where to turn. This could be the book for you. The author, Dr Ray Lowry, has enjoyed a successful career as an academic, public health doctor and dentist and made a name for himself as an entertaining speaker (not surprising as he started life as a comedy writer and performer). He developed coaching to help colleagues become competent, engaging and entertaining speakers. So I set out to find the secrets and see if I could become an entertaining speaker. And I did, as my engagement s diary now shows. I am in demand at conferences, at business meetings, as an after-dinner speaker (and I even do pure stand-up comedy from time to time). Now I ve written the book that can help others master the techniques. Before you start becoming an entertaining speaker, you need to be a competent one. So this book contains a lot of detail about that - what it takes...
