

A Doctor in Little Lhasa: One Year in Dharamsala with the Tibetans in Exile

Filesize: 3.81 MB

Reviews

These kinds of publication is everything and made me hunting ahead of time and more. I have got read through and i also am confident that i am going to gonna study yet again yet again later on. Its been printed in an extremely basic way in fact it is only after i finished reading this pdf in which in fact transformed me, alter the way i believe.

(Cristina Koepp)

A DOCTOR IN LITTLE LHASA: ONE YEAR IN DHARAMSALA WITH THE TIBETANS IN EXILE

Dog Ear Publishing, United States, 2009. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Required reading for students searching for a connection between medical training and social justice. Timothy Holtz s intimate recounting of a year spent serving Tibetan refugees in India describes his struggles with being unable, as one young physician with only a year to spend, to fix the many wrongs he witnessed. Holtz concludes that practicing good medicine-whether in a modern city or an impoverished refugee community-is far more complex than opening up a magic bag and handing out its contents. Although Holtz may not be aware of it, his memoir is a testament to the fact that he did in fact learn to practice good medicine, and he has been at it ever since. His year in Little Lhasa led Holtz to deepen his understanding not only of clinical medicine, but of the social roots of disease and of the indivisibility of health and human rights, broadly conceived. Students and practitioners alike will find this book inspiring. - Paul E. Farmer, Presley Professor, Harvard Medical School; and Co-founder, Partners in Health Timothy Holtz s account is no romance about the joys of practicing medicine among Tibetan exiles in northern India. It is rather about people s suffering from diseases that should easily be prevented, a doctor s efforts to provide good care without the resources he should have, and a community s struggles to cope with the consequences of torture. Even more important for the practice of medicine, it is a story of how a doctor s duty to take care of patients is quite inseparable from seeking to protect their human rights. - Len Rubenstein, Executive Director, Physicians for Human Rights Open this book to...
