THE FOX IN THE HENHOUSE (LARGE PRINT 16PT)

ReadHowYouWant. Paperback. Book Condition: New. Paperback. 460 pages. Dimensions: 10.0in. x 7.8in. x 1.0in. Read a transcript of Amy Goodmans interview with Si and Elizabeth on Democracy Now! A legendary activist and a distinguished public philosopher address a timely but complex issue in a way that is accessible and compelling. Evaluates privatization not just economically, but in social, political, and human terms. Offers principles and practices for creating alternatives to privatization and strengthening the public sector. Privatization has been on the right-wing agenda for years, but now it has the power of the Bush administration behind it. Health care, schools, Social Security, public lands, the military, prisons - all are considered fair game. But does privatization really serve the public good? Or is it a payoff to powerful corporations intent on replacing the government with a private profit culture, in which there is no meaningful public accountability and the bottom line rules all? In this powerful book, legendary activist Si Kahn and public philosopher Elizabeth Minnich argue that privatization is a threat whose seriousness few appreciate. Kahn and Minnich expose the damage privatization has done in several specific areas of society, as well as to society as a whole. They argue that corporations are, by their very nature, unable to effectively fulfill what have traditionally been the responsibilities of government. Some things that are worth doing simply can't, indeed shouldn't, be done purely for profit. Unless there is a balance between the public and private sectors, vulnerable populations will be chronically underserved and critical public functions will be under-funded to the point of virtual elimination. Privatization is usually dealt with in dry economic terms, but Kahn and Minnich take an unusual and lively approach to the issue. Combining stories, analysis, impassioned argument, and even song lyrics, they discuss how the concept...
