For one thing, it brings to question (and answers): What is Childhood and What it Takes to Make One Special. You re in for a treat when you re invited to go down memory lane and visit a neighborhood that is like no other on the isl- or in the world, for that matter. You ll experience the magic of old Key West like you ve never known before or will ever encounter again. As you probe every nook and cranny of two Conch homes, you ll become intimate with all the family members and learn their survival tactics and secrets of success in all walks of life. On a treasure hunt, you will find answers to questions you never thought to ask yourself. Learn all about the magic of memories; where they come from, and the vital role they play in our lives. Join in the homemade holidays, the candy-making parties, the Conch cuisine, and follow the mini Mardi Gras- to guess where! Just as eerie, you ll learn all about the only explosion that rocked the island involving a wedding dress and life beyond the grave! Above all, you ll have a once-in-a-lifetime opportunity to view the most unique patchwork living quilt and experience its transformation into an extraordinary orchestration - right before your very eyes! Enjoy your adventure into a soundproof world of seashores, sunrises, and sunsets in a world far and beyond many yesterdays.
