THE TREATMENT OF DISEASE BY ELECTRIC CURRENTS A HANDBOOK OF PLAIN INSTRUCTIONS FOR THE GENERAL PRACTITIONER

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 38 pages. Original publisher: Washington, D. C. : U. S. General Accounting Office, 2003 OCLC Number: (OCoLC)54448161 Subject: Corporate governance -- United States. Excerpt: . . . Corporate Governance to managements decisions to ensure that the company operates honestly and effectively in the shareholders interest. Even if board members are independent, they can be ineffective as directors if they lack expertise or knowledge relevant to the company and its business. Therefore, board members must also be willing to educate themselves about the company and the risks it faces rather than relying on a checklist mentality of corporate governance requirements issued by the stock exchanges. Participants also noted that unfortunately, as a result of the recent major financial reporting issues leading to restatements and, in some cases, bankruptcy, board members have focused on the rules and may be concerned more about their personal reputation and financial liability rather than focusing on protecting shareholders interests and adding shareholder value. Participants expressed concern that disincentives such as legal liabilities, including financial and reputation risks, may limit a boards ability to attract the right people to serve over time. Participants raised the question whether the current system of selecting directors needs to be reexamined because the existing system from a shareholders point of view has not been working to get the right people on boards. For example, it was viewed that individuals who serve on numerous boards at the same time and or who serve for personal incentives, over time lose the independent spirit needed to be an effective board member. Participants also stated there is some evidence that the recruiting of directors is being adversely affected by the current environment that is placing ever-increasing demands on board members. Examples were cited...
