Reviews

This publication is definitely not effortless to get going on looking at but really exciting to read through. It really is rally intriguing throug looking at time period. Its been written in an remarkably straightforward way which is just soon after i finished reading through this book where basically altered me, change the way i think.

DREAMER OF DREAMS

Ray Dacolias, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****. Unification is a story about a man, Rymalone, who is drawn into a mysterious opening in the ground-the Source. He falls for a millennium, and when he does exit, he finds that very little time has elapsed on Earth, but now he has hitherto unknown powers, which he soon uses to aid people. However, another man, Lewis, of dubious character, is then taken into the Source; he falls for an even longer time, and when he returns, has greater powers than Rymalone, but then seeks to dominate the world. Now, in order to stop Lewis, Rymalone must return to the Source, willfully enter it, and endure the seemingly endless eons alone. Will he go in, and what will he become, if and when he comes out? Traveling at the Speed of Love is about the first astronauts on Mars. The wives of the two men frequently visit the Space Center so they might observe their husbands on the giant video screen, and speak to them using special audio equipment. While one of the men is working on the surface of the Red Planet, Mission Control discovers that a meteor will soon strike where he stands; however, due to a long time delay, they will not have the chance to save him. It is his loving wife who provides a supernatural way to communicate the peril to him. The Expanding Earth is about an English family who finds, as they travel about in their cars, that the same trips they have taken many times are now taking longer than usual; soon, they discover the shocking reason. The Vision is about a college student, Benjamin, who experiences visitations...
