## CAUSE RELATED MARKETING

GRIN Verlag. Paperback. Book Condition: New. Paperback. 88 pages. Dimensions: 8.2in. x 5.8in. x 0.3in. Bachelor Thesis from the year 2011 in the subject Business economics - Marketing, Corporate Communication, CRM, Market Research, Social Media, grade: 1, 0, University of Hamburg (Lehrstuhl fr BWL, insbesondere marktorientiertes Medienmanagement), course: Marketing, language: English, abstract: The combination of efforts of Profit-Organizations (POs) and Non-Profit-Organizations(NPOs) to benefit from a collaboration has gained increased attention throughout the last couple of years (Belch and Belch, 2004). Events such as the BP oil leak in the Gulf of Mexico, the Enron scandal or the fraudulent participation of investment banks in the most recent financial crisis have fueled the discussion of ethical codes of conduct for corporations, their social responsibility in society and thus their social commitment(Kotler and Lee, 2005), (Hess, Rogovsky, and Dunfee, 2002), (Horrigan, 2010). The contribution of business entities in social causes made them consider their possibilities to not only act socially responsible, but profitable at the same time (Zdravkovic, Magnusson, and Stanley, 2010). This called marketers to action, designing strategies that would highlight a companys willingness to do good, advance the companys reputable image, enhance customer retention and increase sales (ib. ). The success of this new and uprising type of marketing, CRM, is determined by many factors, one of them being the fit of the collaborating partners (Fries, 2010). The aim of this work is the presentation of the current state of research of the success of CRM. A further objective of this thesis is the systematic elaboration of empirical studies to draw conclusions about possible effects on the success of CRM campaigns. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
