Hook provides an everyday understanding of self-help traditions which open doors to enhanced futures - larger than the lives we have already. On the journey, Hook lays out a set of linguistic markers, distinctions as he calls them, with which to observe the internal workings of every discipline, tradition, and new strategy out there for living the good life. Hook provides example, personal and professional, in an entertaining journey through Developing A New Identity, Health, Energy, Learning, Body Building, Motivation, Ambition, Well-Being, Personal Power, breakthroughs in Positive Psychology, High Performance athletic training, super learning, passion, and emotion. In addition Hook unfolds new and effective traditions in relationship enhancement, energy versus time management. Along the way, Hook reconstructs the histories of Self-Help, Well Being, Happiness, Learning, Energy therapies, Body therapies, even learning. He also provides us a hint of what's to come in Version 2.0 where he continues to unpack the new conversation about Deep Listening, Growth and Expansion, and, as you won't find a surprise after looking through the table of contents, Much Much More. Hook is dedicated to the joy of learning and facilitating ever higher achievement by people ready to take command of their lives and live larger than ever.
