

Galleries of Friendship and Fame: A History of Nineteenth-century American Photograph Albums

Filesize: 4.1 MB

Reviews

The most effective publication i at any time read. We have study and i am sure that i will likely to read yet again once again in the foreseeable future. You will not truly feel monotony at anytime of your time (that's what catalogs are for about in the event you request me).

(Mr. Rafael Hoeger)

GALLERIES OF FRIENDSHIP AND FAME: A HISTORY OF NINETEENTH-CENTURY AMERICAN PHOTOGRAPH ALBUMS

Yale University Press, United States, 2010. Paperback. Book Condition: New. 259 x 183 mm. Language: English . Brand New Book. Galleries of Friendship and Fame is the first comprehensive investigation of the origin, development, and practices of 19th-century American photograph albums. In this fascinating book, the author argues that the album-whether functioning as family record, parlor entertainment, social register, national portrait gallery, or advertisement for photography itself-helped transform the nature of self-presentation at the cusp of modernity. This handsome volume examines carte de visite and cabinet card albums from their introduction in the United States in 1861 through the rise of the snapshot at the century's end. By examining a wealth of previously overlooked primary materials, this study offers a completely new understanding of photograph albums, revealing how they emerged, how they were marketed and sold, and how families displayed and told stories through them. Galleries of Friendship and Fame addresses the history of technology and innovation, the interconnectedness of the commercial and domestic spheres, and the ways photography helped shape notions of identity, family, and nation in a rapidly changing America.
