First Grade Writers Units of Study to Help Children Plan, Organize, and Structure Their Ideas

By Stephanie Parsons

Heinemann. Paperback. Book Condition: New. Paperback. 144 pages. Dimensions: 9.1in. x 7.3in. x 0.5in. What readers will love about this book is that it offers big-picture understandings of teaching, then it zooms in and offers the details of that teaching. - Katie Wood Ray, author of *About the Authors* First graders have no shortage of ideas. The hard part for them is putting thoughts together into a cohesive draft. Organizing and planning for writing defy simple description and aren't easily modeled for students, making them challenging topics to convey to young children. Where do you find the language and tactics to teach these subtle processes? With *First Grade Writers*, Stephanie Parsons will change how you think about teaching the thinking behind writing. Parsons outlines five specific units of study for your writing workshop that help students prepare thoughtfully to write. Beginning with a September unit specially designed to introduce the writing workshop to first graders and build a classroom community that supports risk taking and learning, each successive unit builds upon the previous one and fosters independence. By June your students will know how to plan for writing out loud and on paper, leading to elegant, well-structured pieces. The units also...

Reviews

Undoubtedly, this is the best function by any writer. This really is for those who state there was not a really worth reading. Its been written in an exceptionally basic way which is merely right after i finished reading through this book by which really transformed me, change the way i really believe.

-- **Dr. Deonte Hammes DDS**

The publication is not difficult in study preferable to fully grasp. It really is rally intriguing throug looking at period of time. I found out this pdf from my dad and i advised this ebook to find out.
