Atlantic Publishing Co, United States, 2015. Paperback. Book Condition: New. 2nd ed.. 230 x 155 mm. Language: English . Brand New Book. Humans have been building with stone for thousands of years. Compiled in 2007, based on the votes of people worldwide, the official New 7 Wonders of the World list includes Chichen Itza, Brazil s Christ Redeemer statue, the Colosseum, the Taj Mahal, the Great Wall of China, Petra in Jordan, and Machu Picchu all structures made of stone. The fact that every one of these iconic structures is made of stone is a testament to the beauty and resilience of this building material. You can bring the aesthetics of stonework to your house and property with help from The Complete Guide to Building with Rocks Stone: Stonework Projects and Techniques Explained Simply REVISED 2nd Edition. This book is designed to walk homeowners through the process of developing, planning, and implementing a stone building project with up to date and relevant information. Starting with the basics, you will learn about the common types of stone and where natural stone is found throughout the United States, as well as how to gather your own fieldstone. You will learn how to use stone as a building material, including where to acquire it, as well as how it is cut, sold, and used in various projects. You will learn what tools you need for stonework and how to start working with dry stone, how to work with mortared stone, and the correct way to pour and mix cement. This book will even teach you how your children can be involved with your stonework projects. You will save significant money and increase the value of your house by building your own stone structures in and around your home. This book provides detailed instructions...
