Almost immediately she is in danger by association, stalked and threatened by those who want Kieran dead; not just because of his bad attitude and violent, unpredictable nature. He is part of an ancient species of Phoenix, capable of transforming into terrifying predators; a species Ruby soon realises she is part of. She is then presented with a choice: to follow this dark stranger and his family into a dangerous unfamiliar world of love, lies and killing, or risk dying alone without ever knowing her true potential. Either way she will die a brutal death; slowly burning from within until her body becomes nothing but ashes. Her choice will determine whether she will ever live again.
