Feminist Press at The City University of New York, United States, 2014. Paperback. Book Condition: New. 203 x 140 mm. Language: English . Brand New Book. Moms-to-be get tons of advice on strollers, sleep training, and post-baby workouts. What they don't get is straight talk about navigating the workplace during pregnancy and new parenthood - factors that put many women's jobs in jeopardy. That's why *Babygate* is essential: the first and only guide to supply parents with the tools they need to keep their jobs. *Babygate* breaks down the laws on topics across the parenthood spectrum in clear, conversational language, and includes a state-by-state guide so readers know exactly how they're protected (or not) in their hometowns. Best of all, *Babygate* includes a road map for confronting family-responsibilities discrimination, and a concrete plan for creating a more family-friendly nation. In *Babygate*, three legal experts share practical tips, real-life stories from moms and dads, and key legal information to spotlight the protections expecting and new parents have (and don't have) in the workplace. This step-by-step guide covers everything from morning sickness to maternity leave to confronting discrimination on the job. Includes quizzes, charts, checklists, sample letters to employers, and a comprehensive breakdown of individual state laws on pregnancy, parenthood, and the workplace. Dina Bakst, Phoebe Taubman, and Elizabeth Gedmark are attorneys for A Better Balance, a legal center created to advance the rights of pregnant women and caregivers in the American workplace. A Better Balance's legislative advocacy - paired with litigation, research, public education, and technical assistance to state and local advocates - has generated new protections for millions of workers across the country.
