*Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.*

University Press of Kansas. Hardback. Book Condition: new. BRAND NEW, The Pullman Case: Clash of Labor and Capital in Industrial America, David Ray Papke, When the American Railway Union went on strike against the Pullman Palace Car Company in 1894, it set into motion a chain of events whose repercussions are still felt today. The strike pitted America's largest industrial union against twenty-four railroads, paralyzed rail traffic in half the country, and in the end was broken up by federal troops and suppressed by the courts, with union leader Eugene Debs incarcerated. But behind the Pullman case lay a conflict of ideologies at a watershed time in our nation's history. David Ray Papke reexamines the events and personalities surrounding the 1894 strike, related proceedings in the Chicago trial courts, and the 1895 Supreme Court decision, *In re Debs*, which set important standards for labor injunctions. Papke provides an analytically concise and highly readable account of these proceedings, offering insight into the strengths and weaknesses of the law at the peak of industrial capitalism, showcasing Debs's passionate commitment to workers' rights, and providing a window on America during a...
