About this time the King s great business, as it was commonly called, or his divorce from Q. One instance of this is, that Staphileus, an Italian bishop, being here in England as Pope Clement s ambassador to the King, he, either to make his court the better, or that he was so persuaded in opinion, seemed fully satisfied about the justice of the King s cause: on which account he was sent back to Rome with instructions concerning it, both publick and secret.
