Heartways Press,U.S. Paperback. Book Condition: new. BRAND NEW, The Hidden Jewel: Discovering the Radiant Light within, Paul Ferrini, The Hidden Jewel is so small we cannot see it. And it is so big we cannot imagine it. Infinitely great and small, it is beyond name and form. That is why it is so difficult to locate or describe. At best, we can point to it or catch a glimpse of it as it moves in and out, up and down, around us and through us. We say it rests in the heart, yet there is no place where it cannot be found Each Self inheres in the All and the All inheres in the Self. That is the mystery. To know the Self, is to know the All. This awesome little book presents the essence of the process of spiritual awakening with incredible insight and clarity. Containing 81 luminous verses similar to the Tao Te Ching, the HIDDEN JEWEL radiates truth in a simple but profound way that makes it accessible to all readers. This is a jewel of a book that you will want to share with all of your friends and family members.
