The best article is that on The Origin and Nature of Morality, which shows how beliefs are beyond our own control, and that morality rests upon the firm foundation of social exigencies. In the paper entitled, Threading the Way, the coarse language of freethought journals is severely reprobated. The most orthodox people will welcome this as a shake of the hand from an unexpected quarter, and will note that the writer on The Future of Agnosticism is not very sanguine. And who can say there is no room in these days for a sect which declares that the one essential thing for us just now in this age is to get rid of false certitudes and unwarranted assertions ? ELOCUTION. In their primer of Elocution, Messrs. Pearson and Waithman dilate with no inconsiderable fervour upon the manifold advantages which accrue to the...
